THERE could be no sharper commentary on the removal of Mr. SUMNER from Washington telegram:

Senators Morton and Cameron were present by request at the Cabinet discus-sion, to-day, of the treaty submitted by the High Commission. The Vote on the Amendment.

Jefferson county gave 412 votes for the Amendment and 256 against. Cabell C. II. gave 150 votes for the Amendmen and but one against. The Press, printed at the county seat, four days after the election gives us this information and no more touching the vote of Cabell county. Preston gave S63 for the Amendment and 138 against.

Hardy county rejects the amendment by a vote of 336 for rejection to 58 for ratification. Hampshire ratifies, giving 521 for ratification and 61 against.

Its Cure and Preventive, BY J. H. SCHENCK, M. D.

Many a human being has passed away, for whose death there was no other reason than the neglect of known and indisputably proven means of care. Those near and dear to family and friends are sleeping the dreamless slumber into which, had they camly adopted DR. JOSEPH H. SCHENCK'S SIMPLE TREAT

Dr. Schenck has, in his own case, proved that
